

DocuCrease Scorer Slitter

Quickly crease and score paper with the DocuCrease 35 from Standard. It is made from sturdy material and can score easy-to-damage prints. It can handle glossy paper and can crease against the grain. The DocuCrease is popular for use with cards, pamphlets, brochures, business cards, table tents and more. It can handle a maximum paper width of 14-inches. The DocuCrease 35 simultaneously scores documents and can be used by either a left or right-handed individual. We have a low-price guarantee on all our paper scorers. Order your Standard DocuCrease 35 today!

Features

- Ink or cover-based stacks.
- Glossy cover stocks with the grain going in the wrong direction.
- Pamphlets / Brochures, Greeting Cards, and Covers used for booklets or perfect bound books.
